

# Cinderella

Lionel Richie

As I was walking down a path in the woods one day  
I came across a vision that caught my eye

There was a lady standing right there beside a well  
And I heard her whisper  
What you wish for you can have

Then the vision went away  
I thought that I had lost her  
The girl I've been waiting for  
I can't believe I just saw her  
She is the finest thing, I've ever could imagine  
Now I want her next to me, cause I want, cause I want more  
Whoahhhh

Come to me my Cinderella  
Straight to my wishing well and  
You're the one I'll always cherish  
I ya ya ya ya ya  
Come to me my Cinderella  
Straight to my wishing well and  
You're the one I'll love forever  
I ya ya ya ya ya

She is a gentle flower, she is the sun and rain and  
She could be the reason for my joy and my pain  
First thing I see each morning, last thing I see at night  
You know if I could have all that  
That's all I wish for in my life

Why did she have to go  
What do I say to find her  
This girl is the only one  
I just cannot deny her  
She's making love to my mind  
And I can't forget this feeling  
It's her voice that's calling  
It's her voice I need  
Whoahhh

Come to me my Cinderella  
Straight to my wishing well and  
You're the one I'll always cherish  
I ya ya ya ya ya  
Come to my my Cinderella  
Straight to my wishing well and  
You're the one I'll love forever  
I ya ya ya ya ya

Ohhh Cinderella  
Ohhh Cinderella  
Ohhh Cinderella  
You're all that I want  
You're all that I need  
Come back to me now  
Cinderella

Come to me my Cinderella  
Straight to my wishing well and  
You're the one I'll always cherish  
I ya ya ya ya ya  
Come to me my Cinderella  
Straight to my wishing well and  
You're the one I'll love forever  
I ya ya ya ya ya
