

# Dancing on the Ceiling

Lionel Richie

What is happening here?  
Something is going on  
That's not quite clear  
Somebody turn on the light  
We're gonna have a party  
It's starting tonight

Oh, what a feeling!  
When we're dancing on the ceiling  
The room is hot...that's good  
Some of my friends came  
By from the neighbourhood  
People were starting  
To climb the walls  
Ooh, it looks like everybody  
Is having a ball

Everybody starts to lose control  
When the music is right  
If you see somebody hanging around  
Don't get up right  
The only thing we wanna do tonight  
Is go round and round  
And turn upside down  
Come on, let's get down

So come on, let's get loose  
Don't hold back  
Because it ain't no use  
Hard to keep your feet on the ground  
Because when we like to ball it  
We only want to get down  
What? you say what?  
It's love now...  
Just get started  
Everybody clap your hands, come on  
Everybody have sense...
