

# Don't Wanna Lose You

Lionel Richie

You know it's taken a long time to realize  
How much I love to be with you  
Times are hard, spirits weak  
Everything seems to be going wrong  
Outlook's bleak  
You know I fooled around playing the field  
That's when I found that your love was real  
No I haven't treated you so right  
But I won't lose your love without a fight

I'm gonna hold on to the love we have together  
Hold on don't you say good-bye  
Tell me now before we lose forever  
Girl I don't want lose  
Gotta have your sweet loving  
'Cause without it girl I'll just lost my mind

The way you hold me  
Comforts me and shows me  
That a love like yours is hard to find  
I need your loving every day and night  
You're kinda lovin' makes me feel alright

I'm gonna hold on to the love we have together  
Hold on don't you say good-bye  
Tell me now before we lose forever  
Girl I don't want lose  
Gotta have your sweet loving  
'Cause without it girl I'll just lost my mind

Baby don't go  
Baby don' go, not now  
Baby don't go  
I need you by my side girl  
Baby don't go  
I love you so  
I don't want to lose you  
You know it took me a long time  
I finally realize  
That a good thing is hard to find  
That's why I'm standing right here  
With you today girl  
I want to keep you  
I've come to my senses  
I don't wanna go anywhere  
I'm coming home

I'm gonna hold on to the love we have together  
Hold on don't you say good-bye  
Tell me now before we lose forever  
Girl I don't want lose  
Gotta have your sweet loving  
'Cause without it girl I'll just lost my mind
