

# I Call It Love

Lionel Richie

I look at you  
You look at me  
(You can't tell me you ain't feeling butterflies)  
It's obvious,  
We have some chemistry  
(I think I know it cause it feels so right)  
Girl I wanted so long to know  
Now Your telling me you gotta let it go  
(Don't Tell Me I have to start all over again)  
I Never thought that this day would come  
(This is something that I've wanted in my life)  
I realize that you're the one  
(and you're telling me its time to say goodbye)  
What's inside of my heart It ain't gonna change  
So it shouldn't be so easy to walk away  
(You feel it, I feel it, let's not pretend)

Baby, I Don't Know What Love Is  
Maybe I'm A Fool  
I Just Know What I'm Feeling  
And It's All Because Of You  
Don't Tell Me  
I Don't Know  
I Want The Truth  
Cause They Call It  
We Call It  
You Call It  
I Call It Love

It's so clear for you to see  
(don't let anybody tell you what to do)  
Why they can't they just let us be happy  
(I don't want to find somebody new)  
If you know whats really in your heart  
Then don't let them tear us apart  
(Cause you feel it I feel it Lets think this through)

Baby, I Don't Know What Love Is  
Maybe I'm A Fool  
I Just Know What I'm Feeling  
And It's All Because Of You  
Don't Tell Me  
I Don't Know  
I Want The Truth  
Cause They Call It  
We Call It  
You Call It  
I Call It Love

We Have a bond that's unbreakable  
And its not time to let it go  
And now that we know its real  
We are going to let it show  
To the whole world  
That I'm yours forever  
and you're my girl

Baby, I Don't Know What Love Is  
Maybe I'm A Fool  
I Just Know What I'm Feeling  
And It's All Because Of You  
Don't Tell Me  
I Don't Know  
I Want The Truth  
Cause They Call It  
We Call It  
You Call It  
I Call It Love

Love  
They Call It Love  
I Call it  
Love
