

# Into You Deep

Lionel Richie

Hey you, where are you going?  
You're not leaving me today  
Hey you, what are you doing?  
Put your things down and stay

You should go, you should leave  
But without you where would I be  
You can run, you can hide  
Girl I know I'll never find someone like you

And I owe you like the rain owes dirt  
And I owe you like the love owes hurt  
Heart's like the mob  
And I'm willing to pay you back every dime

I'm into you deep  
Just give me time, a way I'll find  
I'm into you deep  
One more week at least

I'm into you deep  
Can you take half for now?  
I'm into you deep  
I wanna pay you back the love you gave me

Hey you, what are you doing?  
Can't you see I'm not fighting you today?  
Hey you, what are you saying?  
There's no such thing as separate ways

You should go, you should leave  
But without you, where would I be  
You can run, you can hide  
Girl I know I'll never find someone like you

And I owe you like the rain owes dirt  
And I owe you like the love owes hurt  
Heart's like the mob  
And I'm willing to pay you back every dime

I'm into you deep  
Just give me time, a way I'll find  
I'm into you deep  
One more week at least

I'm into you deep  
I'm into you deep  
I wanna pay you back the love you gave me

I'm into you, I'm into you  
I'm into you, I'm into you  
I'm into you

The love director's calling this a wrap  
And our movie is half way through the credits  
And I just wanna skip the first  
Rewind back to the beginning

I know my character's been the villain  
And your power of love deserves equal  
Please cast me back in the sequel

I owe you like the rain owes dirt  
And I owe you like the love owes hurt  
You're half the mob and I, I wanna pay you back  
Every dime, every cent, every piece of love you gave

Just give me time  
A way I'll find  
I'm into you deep  
One more week at least
