

## My Love

Lionel Richie

I've been through so many changes in my life woman  
It's a wonder I ain't lost my mind  
And I ain't never said how much I need you sugar  
But I sho' need you by my side

My love, just thinking about you baby  
Just blows my mind  
My love, just thinking about you baby  
Just blows my mind all the time

Life with me I know for sure it ain't been easy  
But you stayed with me anyway  
And even though you ain't gonna lose too much by leaving  
I'm so glad you stayed

My love, just thinking about you baby  
Just blows my mind  
My love, just thinking about you baby  
Just blows my mind all the time

You've been my friend and you've been my lover, oh lord  
Honey you're everything I need  
You've made my love so strong now I know where I belong  
Oh girl you'll never have to worry  
Oh baby any more, any more
