

(That's) The Way I Feel

Lionel Richie

You are that gentle breeze on a summer's day
You are the beat inside my heart
You are that place that I go when I need someone that's real

I want you to know that's the way I feel

I can look in your eyes and see every dream I've dreamed
I can see peace inside your fire
I can see joy in my life then only your love can reveal

I want you to know that's the way I feel

Life is a mystry
How lucky I am that your love has found me
Thatfor, you are the key that opened the door to a world of (
)
And yes, I find that this is the my moment of my time
To really let you know the way you make me feel

You are that place that I go when I need someone that's real
A something, A gentle touch, A lover's hand to hold
Your the passion in my life is real

I want you to know that's the way, I feel
