

# Think of You

Lionel Richie

Girl I know I've been busy, didn't get to talk  
But don't let your head play them games with your heart  
It's been a little crazy doing what I do  
But I just can't wait to get home with you

I know it's been hard, me not being there  
Baby I don't want you thinking that I really don't care  
And I know that you're feeling like I'm being unfair  
But your love is with me everywhere

When I dream I think of you, breathe, I think of you  
All day I think of you, give all my love to you and only you  
Swear it's true, all I do is think of you

When I pray I think of you, far away I think of you  
All day I think of you, my heart belongs to you and only you  
Yes it's true, all I do is think of you

Always say I love you before I go to sleep  
If I die before I wake then I'll take your love with me  
Every second I'm away from you feels like misery  
'Cause I know where I really wanna be

I know it's been hard, me not being there  
Baby I don't want you thinking that I really don't care  
And I know that you're feeling like I'm being unfair  
But your love is with me everywhere

When I dream I think of you, breathe, I think of you  
All day I think of you, give all my love to you and only you  
Swear it's true, all I do is think of you, all I do is think of you

When I pray I think of you, far away I think of you  
All day I think of you, my heart belongs to you and only you  
Yes it's true, all I do is think of you

What do you do when you love someone so much  
You do almost anything just for one touch  
Try to make an excuse just to get away  
That's the way that I feel about you baby

When I leave do you know what I'm going through?  
It makes me cry every time 'cause I missing you  
And I hope you feel the same way too  
'Cause all I do is think of you

I think of you, I think of you, oh yeah  
Give all my heart to you and only you  
All I do is think of you

When I pray I think of you, far away I think of you  
All day I think of you, my heart belongs to you and only you  
Yes it's true, all I do is think of you

When I dream I think of you, breathe, I think of you  
All day I think of you, give all my love to you and only you  
Swear it's true, all I do is think of you

When I pray I think of you, far away I think of you  
All day I think of you, my heart belongs to you and only you  
Yes it's true, all I do is think of you, all I do is think of you
