

# Tonight

Lionel Richie

Tonight, if you're ready it's time  
Tonight, we can make it feel so good tonight

You say you're ready  
To be mine  
This could be the right time  
Got this feeling deep inside  
And what I'm feeling, I just can't hide  
So tell me  
Are you looking for the time of your life  
Let me know if you're ready to go  
There'll be no hesitation, what feels right is right  
It's all up to you, what are you going to do

Tonight, if you're ready it's time  
I can feel it in the air tonight  
Tonight, we can make it feel so good tonight

Get lost in the magic, lose control  
Free your body, let's go  
Feel the fire, it's burning hot  
Feel the fire, just can't stop

So tell me  
Are you looking for the time of your life  
Let me know if you're ready to go  
Take my hand and follow me  
There'll be no hesitation, what feels right is right  
Everything will be fine, just put your hand in mine

Tonight, if you're ready it's time  
I know what we can do girl  
Tonight, we can make it feel so good tonight  
Good all night girl  
Tonight, stay with me  
If you're ready it's time, if you're ready girl  
Tonight we can make it feel so good tonight

The clock is ticking, girl decide  
If you're ready, let's ride  
If you follow, what's on my mind  
A night of passion, is what you'll find

So tell me  
Are you looking for the time of your life  
Let me know if you're ready to go  
I need to know  
I need to know

There'll be no hesitation, what feels right is right  
Girl, it's all up to you, what are you going to do  
Tonight, if you're ready it's time  
It's all right  
It's all right

Tonight, we can make it feel so good tonight  
I can make it feel so right

I can make it feel so right
