New One

Soul devastated Gods are frustrated I have to go my own way I ve got my judgement I ve got my rules I m not in solitude I ve got an idea on my mind Better days ? No gods allow ! I m the cosmic ray I m going straight ahead to undiscovered part of Space in front of me No one can t catch me But some of you should try Blindness is expanding Uprightness is fadeing The epitaph is reward I ve got my judgement I ve got my rules I m not in solitude I ve got an idea on my mind Better days ? No gods allow ! I m the cosmic ray I m going straight ahead to undiscovered part of Space in front of me No one can t catch me But some of you should try I'm the ace of spades I'm the strongest card the winner in this game and gods can get my ass to kiss and some of them will try...
