## **Designer Music**

Lipps, Inc.

Everywhere you go Lights flash All you got to have Is the cash

While you think you're able It's got to have a label Designer music Designer music

I don't even know What it means Stick it on your shoes Or your jeans

If Calvin says it's smashin'
It's got to be in fashion
Designer music

Following the crowd It's their game Everything depends On which name

It's got to be designer There could be no finer Designer music Designer music

Wearing your Sassons Stop the show Got to be in Vogue With Polo

Stick it on your sweater It's got to make it better Designer music Designer music
