How Long

How long has this been goin' on How long has this been goin' on How long has this been goin' on How long has this been goin' on

Well, your freinds with their fancy persuasion Don't' admit that it's part of a scheme But I can't help but have my suspicion 'Cause I ain't quite as dumb as I seem

Well, you said you were never intending To break up our scene in this way But there ain't any use in pretending It could happen to us any day

How long has this been goin' on How long has this been goin' on How long has this been goin' on How long has this been goin' on

Well, your freinds with their fancy persuasion Don't' admit that it's part of a scheme But I can't help but have my suspicion 'Cause I ain't quite as dumb as I seem

Well, you said you were never intending To break up our scene in this way But there ain't any use in pretending It could happen to us any day
