

## Doubledecker

Liquido

Left abandoned and abused  
maybe i´m so confused  
take my chance and do my best  
better then the whole rest  
never change it´s just too late  
we can´t be friends well think again now  
I will realize my plan doing what I can

Never gonna chance never gonna chance  
fix me right and then  
we´ll see what´s coming on now  
take a little bit of this and that  
take a little bit of supersonic banners... make me so sad  
supermega tony vega like a beggar like on an easy chair  
I like it when you´re so aware  
supersonic games supersonic games  
who´s to blame who´s to b...b...b...b... blame:

Big boy doubledecker makin´my heart go quicker  
it´s a bad game-dreadful like migraine

To the ladies...  
I feel i´m sleepin´through the cracks  
two times ryhmin´on this track  
laughin´ ´bout the thing we did  
another day so uninspired

Never gonna chance never gonna chance  
fix me right and then  
we´ll see what´s coming on now  
take a little bit of this and that  
take a little bit of supersonic banners... make me so sad  
supermega tony vega like a beggar like on an easy chair  
I like it when you´re so aware  
supersonic games supersonic games  
who´s to blame who´s to b...b...b...b... blame:

Big boy doubledecker makin´my heart go quicker  
it´s a bad game-dreadful like migraine
