Doubledecker

Left abandoned and abused maybe i'm so confused take my chance and do my best better then the whole rest never change it's just too late we can't be friends well think again now I will realize my plan doing what I can

Never gonna chance never gonna chance fix me right and then we'll see what's coming on now take a little bit of this and that take a little bit of supersonic banners... make me so sad supermega tony vega like a beggar like on an easy chair I like it when you're so aware supersonic games supersonic games who's to blame who's to b...b...b... blame:

Big boy doubledecker makin'my heart go quicker it's a bad game-dreadful like migraine

To the ladies... I feel i'm sleepin'through the cracks two times ryhmin'on this track laughin' 'bout the thing we did another day so uninspired
