

# Shoot Me, I'M A Fool

Liquido

You  
Refrain  
To kill the beast in chains  
Is it dead  
On time  
Or never been alive  
Is it pokin' through your eyes?  
And what  
Will come  
When all the realms have gone  
Is it you?  
And I  
Will be king  
After all  
And suffocate no more  
Getting high  
On your glance  
On every tinsel shine  
Shoot me, I'm a fool  
That's all I ask you to  
That's all I ask of you  
Of you  
You  
Restrain  
From all we could have changed  
Was it meant  
To fail  
With all those rusty nails  
Was it senseless in your mind  
And I  
Close my eyes  
I got home  
I feel that I'm alive  
Like a moth  
Towards the light  
That has not completely died  
Shoot me, I'm a fool  
That's all I ask you to  
That's all I ask of you  
Of you  
It's up to you  
Shoot me, I'm a fool  
That's all I ask you to  
That's all I ask of you  
Of you  
Of you  
You  
Shoot me I'm a fool  
That's all I ask you to  
That's all I ask of you  
Of you
