

# Ticket To Anywhere

Liquido

Don't walk away from me  
to make my life a misery  
you are mine - since dawn of time  
I've always been a fool  
I miss you and you know ifs true  
yes it's true  
I'm missing you: SHE'S GOT A TICKET TO ANYWHERE - GOT A TICKET  
TO ANYWHERE

I've never thought one touch  
could hurt me in this way so much  
- only one touch  
could hurt me so much  
I never thought that there's a one  
for me to stay and say that our life's to share  
and if you've got to go away - then take a ticket to anywhere  
SHE'S GOT A TICKET TO ANYWHERE - GOT A TICKET TO ANYWEHRE
