

# Wake Me Up

Liquido

Wake me up somehow  
wake me up when you're around  
wake me up a thousand times  
wake me up somehow  
Coucher coucher. I will lay me down  
I will call you back and then  
we'll talk again  
In my dreams I dwell  
asleep - there is no au revoir  
I do believe I hear you say "je veux te voir ce soir"  
Eyes - dim and colorless  
whispering to spoil the noise  
meaningless to hear a voice  
- what splendid night it was: WAKE ME UP SOMEHOW  
WAKE ME UP WHEN YOU'RE AROUND  
WAKE ME UP A THOUSAND TIMES  
WAKE ME UP SOMEHOW /Comme ci comme ça  
I'd shiver everywhere  
the quivering seems to linger there  
il pleut dans mon coeur /I feel so insincere  
my memories of you are weird  
the beauty of your tongue - my work's undone  
Another chapter Starts. I close my eyes and watch the stars  
overwhelming past - what splendid night it was: WAKE ME UP SOME  
HOW  
WAKE ME UP WHEN YOU'RE AROUND  
WAKE ME UP A THOUSAND TIMES  
WAKE ME UP SOMEHOW  
WAKE ME UP TODAY  
WAKE ME UP AND PLEASE, PLEASE STAY  
WAKE ME UP BE PLEASED AND STAY  
WAKE ME UP SOMEHOW
