

It Had To Be You

Lisa Ekdahl

It had to be you
It had to be you
I wandered around
Finally found somebody who

Could make me be true
Could make me be blue
And even be glad
Just to be sad
Thinking of you

Some others I've seen
Might never be mean
Might never been cross
Or tried to be boss
But they wouldn't do
Cause nobody else
Gave me that thrill
With all your faults
I love you still
It had to be you
Had to be you
Had to be you

Some others I've seen
Might never be mean
Might never been cross
Or tried to be boss
But they wouldn't do
Cause nobody else
Gave me that thrill
With all your faults
I love you still
It had to be you
Had to be you
Had to be you
