

Just For A Thrill

Lisa Ekdahl

Just for a thrill
You turned the sunshine to rain
Just for a thrill
You filled my heart with pain

To me you were my pride and joy
To you, I was a mere little toy
A plaything, that you could toss around at will

Just for a thrill
You made my life one sad song
Just for a thrill
You just led me along

Although you are gone and havin' your fun
To me you're still the only one
'Cause you made my heart stand still
Just for a thrill

Just for a thrill
You made my life one sad song
Just for a thrill
You just left me alone

Although you're gone and havin' your fun
To me you're still the only one
'Cause you made my heart stand still
It was just for a thrill

Yes you made my heart stand still
Just for a thrill
