

Cry Baby

Lisa Germano

Could it be your touch
Could It be your kiss
Something isn't right inside
Of you

Could it be your laugh
Could it be your smile
Something isn't right inside
Of you

If you could find happiness
Then you could share all of
This with me

Could've been your loss
Of love you had to give
But you didn't have to let
Your baby go
I can't save you
I can't save you
I can't save you

If I could find resolution
Then I could go on and on
Alone

Could it be my sigh
Could it be my stare
Something isn't right inside
Of me

Could've been my fault
Happens all the time
You didn't have to let your
Baby go

If I could find peace within
Then I could share all of this
Again

You can't save me
You can't save me
You can't save me
