

Hangin' with a deadman

Lisa Germano

The best
Is you and me
Together
Together
Can't
I can't see
Just feel
Clear blue sky
Clear blue sky
I'm feeling higher
Ah, balance balance
Clear blue sky
Hey hey lift me
Hey send me there
Oh i'm here
I'm here for you
Do you watch me
I watch you, watching

You scare me
You scare me to death
Do you love me

I saw you
Are you

I saw you
Leaving?
Clear blue sky?
I'm hangin'
I'm hanging with a deadman
Aren't I?
Hangin' with a deadman
Am I?
Am I?
Hanging?
Clear blue skies, clear
Blue?

Hey hey lift me
Hey send me there
Oh I'm here
I'm here for you
The best
Was you and me
Together
Together
I'm hangin'

I have been hangin' with a
Deadman
Hangin' with a deadman?
I'm watching you
Hanging
Again
Hanging with a deadman
You're a deadman
