

I Love A Snot

Lisa Germano

Shaky, shaky hands
Shaky, shaky legs
Shaky, shaky stomach
When I am with you

Shaky, shaky thoughts
Each and every one
When I am with you
Run tubby, run to

Tubby, tubby butt
Tubby, tubby face
Tubby, tubby stomach
When I am with you

Icky, icky breath
Each and every kiss
When I am with you
Where does it go into?

You're a snot
And I adore you
I love a snot, hey

Rotten, rotten luck
Rotting, rotting, rotting
What am I to do
When I am with you

Run tubby run
Run tubby run
Run tubby run
Run tubby run

You're a snot
And I adore you
I love a snot

You're a snot
And I adore you
I love a snot, hey, hey
