## Lovesick

## Lisa Germano

You're not my yoko ono
You said those words to me
You say some hurtful things now
None cut so deeply

Those visions of beauty Those visions haunt me Illusions of hope And they drive me crazy

You're not my yoko ono You said those words to me You have too many problems Always in therapy

Lovesick

You are a constant patient You stop me being mean Give me some inspiration Is that why you hit me

Lovesick Lovesick

Those visions of beauty
Those visions haunt me
But I like them, I'll keep them
I'll just go crazy

You're not my yoko ono
You said those words to me
You say some hurtful things now
None cut so deeply
