The Other One

Lisa Germano

When you fool yourself The other one When you fool yourself It's the other one The other one gets hurt Time it doesn't help And the other one Time it doesn't help And the other one The other one walks out Hold me Sacred Touch me Hold me That's better When you pull away The other one Really pull away And the other one The other one breaks down The vision is gone With anyone When you give it up The other one Really give it up And the other one The other one will too Hold me Sacred Touch me Hold me That's better Hold me Stay close Touch me Don't leave That's better Hold me Sacred Touch me Hold me That's better
