

## Tomorrowing

Lisa Germano

If you feel let down at all, you lift me  
Just a little frown is all I need  
Do you think it's fun? Oh yeah  
Do you feel alone? Alright

It's just the wave we're riding  
So sick of you and me and like us  
Falling all around inside our heads

Do you think of it? Oh yeah  
Just a little bit? Alright  
On a wave I'll leave you

It's okay, it's okay  
It's okay, it's okay  
Tomorrowing, tomorrowing  
Tomorrowing, yeah

Are you closing down again?  
I know you  
Don't you wonder how  
They make it through?

But I like it when you're sad  
I'm happier  
It's just the wave you're used to  
Are you really down?

Tonight, I'm there too  
All the way until we lose control  
Are you all alone? Oh, no  
Can you make a sound? Oh, yeah  
And the waves keep moving

It's okay, it's okay  
It's okay, it's okay  
Tomorrowing, tomorrowing  
Tomorrowing, yeah

Tomorrowing, tomorrowing  
Tomorrowing, yeah  
Tomorrowing, tomorrowing  
Tomorrowing, yeah
