Lisa "Left Eye" Lopes

[Intro:]

All My Ladies, in the house, at work, at play, wherever your at be  
No, I don't know if you heard me...awwwww

We in this party wilin' we came to crank it up  
Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it  
Ladies in the club put your drinks up  
Let me see your hands in the air shake your derri're  
Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it

[Verse 1:]

All my ladies, go crazy  
Tell your man tonight, keep the baby  
Its his turn, he got to stress  
Go to the club in your tightest dress  
No parking don't waste your time and  
Park his car in front of a hydrant  
When the cop writes a ticket and here's your chance  
Don't blow it, go ahead dare him to tow  
In the venue, do what men do  
Anybody who asks, tell him your single  
Get them numbers, get your drink on  
Get your flirt on, put your ring on  
Transform like digitally  
Lose your bra and hosiery  
Shout verbal larceny  
Stomp your feet shaking that ass to the beat

Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it

We in this party wilin' we came to crank it up  
Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it  
Ladies in the club put your drinks up  
Let me see your hands in the air shake your derri're  
Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it

Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it

[Verse 2:]

Reigndrop, aight on the count of ten  
I want e'erybody wilin' out  
One, two, three, four, get your booty on the dance floor  
This is not the time to be shy  
Let your hair down, grab a guy  
Move your hips till they separate  
From your torso, the lower you go  
So low you touch the floor

Come back up and crank it some more  
Five, six, seven, eight, doesn't matter if you're gay or straight  
The music doesn't discriminate  
Feel the beat and the tempo say-it  
Nine ten, now do it again  
But this time, I want you to wile' out

Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it

We in this party wilin' we came to crank it up  
Crank it, Crank it, Crank it  
Crank it, Crank it, Crank it  
Ladies in the club put your drinks up  
Let me see your hands in the air shake your derri're  
Crank it, Crank it, Crank it
