I'd play all day if I could
But I haven't got all the time in the world

Your head hangs down, hangs down Your face so long, so long Your weight carries Your weight carries so hard

Baby, brother's playing And now he's asleep

And I'd play all day if I could
I'd run, run away if I could
And I'd stand in your way if I could
But I haven't got all the time in the world

Your head hangs down, hangs down Your face so long, so long Your baby brother would like to say He loves you but he can't seem to find you

He'd like to say, I love you But now he's asleep He'd like to say I love you

And I'd play all day if I could
I'd run, run away if I could
And I'd stand in your way if I could
But I haven't got all the time in the world

Wasting time, it's just a stronger, no Object, no friend of mine
Here we are and we're angry and
We're wasting time, wasting time

And I'd play all day if I could
I'd run, run away if I could
And I'd stand in your way if I could
But I haven't got all the time in the world

And I'd play all day if I could
I'd run, run away if I could
And I'd stand in your way if I could
But I haven't got all the time in the world

And I'd play all day if I could But I haven't got all the time in the world
