

## Free Little Bird

Lisa Loeb

I'm as free a little bird as I can be  
I'm as free a little bird as I can be  
Gonna build my nest in a big oak tree  
Where no one can never bother me

If I was a little fish  
I'd never bite a hook or a line  
No I'd swim way out to the middle of the sea  
And leave all you big fish behind

If I was a mole in the ground  
If I was a mole in the ground  
I would roop that mountain down  
If I was a mole in the ground

I'm as free a little bird as I can be  
I'm as free a little bird as I can be  
Gonna build my nest in a big oak tree  
Where no one can never bother me

Take me home, little bird, take me home  
Take me home by the light of the moon  
With the moon shining bright  
And the stars are getting light  
Take me home, little bird, take me home

I'm as free a little bird as I can be  
I'm as free a little bird as I can be  
Gonna build my nest in a big oak tree
