

Look Me in the Eye

Lisa Loeb

Have you ever looked me in the eye?
Have you ever told the truth
Come on don't lie
Have you ever tried to know me better?
Better than you do

Bitch and moan
Away from home
I sit and stare stare
At the phone
Do you wait for it to ring?
Do you wait for it to ring?
Come on tell me the truth
Is that your thing?

Do you demand a single thing?
I feel so selfish even asking
Do you know what I mean?
Do you know what I'm asking?
Oh won't you lavish me
Be fancy

Look me in the eye
Look me in the eye

I can't believe I am surprised
After all this time
I think you'd know my eyes
Never thought of myself as a bleeder
But I leech on to you
What could be sweeter?
Pie, of course
But what could be worse?

That you don't look me in the eye
Look me in the eye
Look me in the eye
Look me in the eye
