

New Morning

Lisa Loeb

Can't you hear that rooster crowin'?
Rabbit runnin' down across the road

Can't you hear that rooster crowin'?
Rabbit runnin' down across the road
Underneath the bridge
Where the water flowed through

So happy just to see you smile
Underneath the sky of blue
On this new morning, new morning
On this new morning with you

Can't you hear that motor turnin'?
Automobile comin' into style
Comin' down the road
For a country mile or two

So happy just to see you smile
Underneath the sky of blue
On this new morning, new morning
On this new morning with you

The night passed away so quickly
It always does when you're with me

Can't you feel that sun a-shinin'?
Groundhog runnin' by the country stream
This must be the day
That all of my dreams come true

So happy just to be alive
Underneath the sky of blue
On this new morning, new morning
New morning with you
On this new morning, new morning
New morning with you
