

## New Morning

Lisa Loeb

Can't you hear that rooster crowin'?  
Rabbit runnin' down across the road

Can't you hear that rooster crowin'?  
Rabbit runnin' down across the road  
Underneath the bridge  
Where the water flowed through

So happy just to see you smile  
Underneath the sky of blue  
On this new morning, new morning  
On this new morning with you

Can't you hear that motor turnin'?  
Automobile comin' into style  
Comin' down the road  
For a country mile or two

So happy just to see you smile  
Underneath the sky of blue  
On this new morning, new morning  
On this new morning with you

The night passed away so quickly  
It always does when you're with me

Can't you feel that sun a-shinin'?  
Groundhog runnin' by the country stream  
This must be the day  
That all of my dreams come true

So happy just to be alive  
Underneath the sky of blue  
On this new morning, new morning  
New morning with you  
On this new morning, new morning  
New morning with you
