Lisa Marie Presley

You were a million miles behind And I was crying every time I'd leave you

Then I didn't want to see you I still keep my watch two hours behind

Someone turned the lights out there in Memphis That's where my family's buried and gone Last time I was there I noticed a space left Next to them there in Memphis. In the damn back lawn

I didn't know that I was in the crowd And the fresh cut grass stopped growing Everything on my shelf has fallen I still keep my watch two hours behind

Someone turned the lights out there in Memphis That's where my family's buried and gone Last time I was there I noticed a space left Next to them there in Memphis. In the damn back lawn

Was that bridge I was crossing Somewhere I stopped walking I guess I fell off on my own

I heard all the roads they lead to Memphis Except for the one I'm stumbling down And I'll be damned if I ever get this Little son of a bitch from Memphis Well it's all there I guess And I haven't forgot
