

Raven

Lisa Marie Presley

Capo 2

And as the raven flies she feels unwelcome
She's fallen out of her tree and caught on a limb of silver lining
Her wings uncertain oh but she's still flying
Yeah little Raven I see you there

Hold your head up now
I won't try and pull your feathers out I promise
Go on dry your eyes
You know that I've forgiven you and I'm sorry
And everything till now
It wasn't that bad really
Beautiful lady

Why don't you fly with me
We'll have a chat and a cup of tea
And a long lost need to see who's really there

And you'll finally be okay with me
And I'll hear your stories
That fill your sad eyes
When you had raven hair

Hold your high up high
I know that I've been ruthless
I've been ruthless

Go on dry your eyes
You know that I've forgiven you and I'm sorry
And everything till now
It wasn't that bad really
Beautiful lady

Go on dry your eyes
Hey you finally see me - hi
And I see you
And everything till now
It wasn't that bad really
Beautiful lady

Go on dry your eyes
You know that I've forgiven you and I'm sorry
And everything till now
It wasn't that bad really
Beautiful lady
