Ocean bursts its banks and all the waters goin my way
Even though you're poison babe I wouldn't even hesitate
This lie inside your head inside your little heart now

Well listen nothin fits, nothin rings a bell in my head
Lightin up the fire and the citys painted blood red
Even though you're poison babe I wouldn't even hesitate
Just let it go I just I gotta get away now

I was so jealous, I nearly ran away, I was so jealous, I really
couldn't say
What was wrong with me, I had some bad disease, I was so sick f
or you babe

Well I didn't mean to break it I was just having a look
Oh I know I shouldn't touch I should've never picked it up
Even though you're poison babe I wouldn't even hesitate
Just let me go I just I got another chance now

So underneath the street lights, oh I found your broken pen kni
