

# Ain't What You Do

Lisa Stansfield

When I was a kid, about half past three  
My ma said daughter, come here to me  
Says, things may come and things may go  
But this is one thing you ought to know

Ain't what you do, it's the way that you do it  
Ain't what you do, it's the way that you do it  
Ain't what you do, it's the way that you do it  
That's what gets results

Ain't what you do, it's time that you do it  
Ain't what you do, it's time that you do it  
Ain't what you do, it's time that you do it  
That's what gets results

You can try hard, don't mean a thing  
Take it easy, easy, in the jive'n swing

Ain't what you do, it's the place that you do it  
Ain't what you do, it's the time that you do it  
Ain't what you do, it's the way that you do it  
That's what gets results

You've learned your ABCs, you've learned your DFGs  
But this is something you don't learn in school  
So get your hip boots on, and then you carry on  
But remember not to try too hard or it don't mean a thing

Ain't what you do, it's the way that you do it  
Ain't what you do, it's the way that you do it  
Ain't what you do, it's the way that you do it  
That's what gets results

Ain't what you do, it's time that you do it  
Ain't what you do, it's time that you do it  
Ain't what you do, it's time that you do it  
That's what gets results

Ain't what you do, it's the time you do it  
Ain't what you do, it's the time you do it  
Ain't what you sing it's the way that you sing it  
That's what gets results  
That's what gets results
