

# I Thought That's What You Liked About Me

Lisa Stansfield

You say I'm unreliable  
You can't depend on me  
Well that's undeniable  
Take me just as you find me  
Maybe you just can't see  
Maybe I'm all that you need  
Maybe I thought that's what you like about liked me

I thought that's what you like about liked me  
If I lack responsibility  
It's because I never was to willing to toe the line  
I thought that's what you like about liked me  
If my red hot personality fails to thrill  
Where there's a will there's a way  
We can work on it twenty four hours a day

The master of scheming  
Some say I should mend my ways  
There's no harm in dreaming  
I'm dreaming of better days  
Well maybe you just can't see  
Maybe I'm all that you need  
Maybe I thought that's what you like about liked me

Well maybe you just can't see  
Maybe I'm all that you need  
And maybe I thought that's what you like about liked me

I thought that's what you like about liked me  
If I don't seem to anchor for you anymore  
It's too bad I adore the sight of you  
I thought that's what you like about liked me  
If it's some spontaneity you require  
I think you and I'll agree  
That's exactly what you like about me  
What you like about me  
What you like about me  
Can't you see?  
No more scheming  
You and me  
I'm not dreaming  
I know that's what you like about me  
And I'm so glad you waited  
What you like about me
