

Never Set Me Free

Lisa Stansfield

Babe I'm ashamed
Didn't mean to cause you pain
And I hurt too for hurting you
And I won't let you go

And I don't wanna say goodbye
And I didn't mean the things I said last night
I flew off the handle
And had too much wine
And I'm sorry for the hurt I've caused you

Never set me free
Don't wanna know just how sad I can be
Never set me free
'Cos baby that's the last thing
That I wanna be

I apologize
Can you forgive me the lies
'Cos I want so to let you know
That I won't let you go
And I don't wanna say goodbye
And I didn't mean the things I said last night
And by tomorrow
I still wanna be with you
Be with you forever more

Never set me free
Don't wanna know just how sad I can be
Never set me free
'Cos baby that's the last thing
That I wanna be

I don't wanna be without you
Let's stay sweet
I don't wanna be without you

Just keep me with you
Baby
Never let go 'cos I know there's more
Can you forgive me

Never set me free
Don't wanna know how loveless life can be
Never set me free
'Cos baby that's the last thing
That I wanna be
