

# Sincerity

Lisa Stansfield

People say they care, but when it come down to it  
Do they have what I'm singing for

Let's sing it for  
Sincerity  
Sincerity

People, rushin' 'round in their lonely lives  
They'd like to care for others, but frankly,  
They don't have the time  
'Cause they're always doin' the things  
They have to do so they'll be alright  
Their always lookin' out for their own side  
People think they've got priorities right

Sincerity  
The road we need to travel for a better way of life  
Sincerity  
An attitude we need to take if we want to survive  
Come on give me (come on) sincerity  
Come on give me (come on) sincerity

Heartaches, everybody now and then  
They're cryin' out for others,  
to listen to them like a friend  
But we're always sayin' we don't have the time  
But we really sympathize, maybe another time  
Don't think about tomorrow  
Do it while you've got the chance

Sincerity  
The road we need to travel for a better way of life  
Sincerity  
An attitude we need to take if we want to survive  
Come on give me (come on) sincerity  
Come on give me (come on) sincerity

Come on give me (come on) sincerity  
Come on give me (come on) sincerity

But we're always sayin' we don't have the time  
We really sympathize, well, maybe another time  
Don't think about tomorrow  
Do it while you've got the chance

Sincerity  
The road we need to travel for a better way of life  
Sincerity  
An attitude we need to take if we want to survive  
Come on give me (come on) sincerity  
Come on give me (come on) sincerity
