

Sweet Memories

Lisa Stansfield

Sweet memories of the love you gave me
Send me reeling into ecstasy
Sweet memories of the love you gave me
Send me crying to my room
And I don't wanna miss you
But I do
No I don't wanna miss you
But I do

The weather changes
Like life changes
Like me and you have changed
It's all about nothing to talk about
Then you're washed up in the rain
I wonder why
I let love die
Just let you slip away
I cry and cry myself to sleep at night
Mm baby baby

I'm never gonna hear the last
About how stupid I was
I'm never gonna rest until I have you
Back in my arms

Sweet memories of the love you gave me
Send me reeling into ecstasy
Sweet memories of the love you gave me
Send me crying to my room
And I don't wanna miss you
But I do
No I don't wanna miss you
But I do

I've tried to smile
I can't 'cos I'm
Feeling sorry for myself
And I can't hide
What I feel inside
And babe it hurts like hell

I'm never gonna hear the last
About how stupid I was
I'm never gonna rest until I have you
Back in my arms

Sweet memories of the love you gave me
Send me reeling into ecstasy
Sweet memories of the love you gave me
Send me crying to my room
And I don't wanna miss you
But I do
No I don't wanna miss you
But I do

No space or time could take me away from you
Not ever no no no not never

Ain't nothin' or no-one can split us in two
Not ever not never no no

Sweet memories of the love you gave me
Sweet memories of the love you gave me

And I don't wanna miss you
But I do
No I don't wanna miss you
But I do
