Sweet Memories

Lisa Stansfield

Sweet memories of the love you gave me Send me reeling into ecstasy Sweet memories of the love you gave me Send me crying to my room And I don't wanna miss you But I do No I don't wanna miss you But I do

The weather changes
Like life changes
Like me and you have changed
It's all about nothing to talk about
Then you're washed up in the rain
I wonder why
I let love die
Just let you slip away
I cry and cry myself to sleep at night
Mm baby baby

I'm never gonna hear the last
About how stupid I was
I'm never gonna rest until I have you
Back in my arms

Sweet memories of the love you gave me Send me reeling into ecstasy Sweet memories of the love you gave me Send me crying to my room And I don't wanna miss you But I do No I don't wanna miss you But I do

I've tried to smile
I can't 'cos I'm
Feeling sorry for myself
And I can't hide
What I feel inside
And babe it hurts like hell

I'm never gonna hear the last
About how stupid I was
I'm never gonna rest until I have you
Back in my arms

Sweet memories of the love you gave me Send me reeling into ecstasy Sweet memories of the love you gave me Send me crying to my room And I don't wanna miss you But I do No I don't wanna miss you But I do

No space or time could take me away from you Not ever no no no not never

Ain't nothin' or no-one can split us in two Not ever not never no no

And I don't wanna miss you But I do No I don't wanna miss you But I do
