## Watch the Birdie

## **Lisa Stansfield**

Watch the birdie and take a camera, candid shot Watch the birdie, come on and give it all you've got Watch the birdie, just look around and pick a spot and hold it

Watch the birdie, just strike a funny pose a while Watch the birdie and you can beat that pose a mile Watch the birdie, let me see your pretty smile and hold it

Looking for a tall dark handsome man With eyes of blue and golden tan Strong white teeth like Joel McCrea Hey you, get out of the way
