

# When Love Breaks Down

Lisa Stansfield

My love and I  
We work well together  
But often we're apart  
Absence makes the  
heart lose weight, yeah  
'Til love breaks down,  
love breaks down

Oh my, oh my  
Have you seen the weather  
The sweet September rain  
Rain on me  
like no other  
Until I drown, until I drown

When love breaks down  
the things you do  
To stop the truth from hurting you  
When love breaks down  
the lies we tell  
They only serve to fool ourselves  
When love breaks down  
When love breaks down

My love and I  
We are boxing clever  
He'll never crowd me out  
Both be free as old confetti  
And paint the town, paint the town

When love breaks down  
the things you do  
To stop the truth from hurting you  
When loves breaks down  
the lies we tell  
They only serve to fool ourselves  
When love breaks down  
we join the wrecks  
Who leave their hearts for easy sex  
When love breaks down  
When love breaks down

My love and I  
We were high and climbing  
Into the sky of blue  
Loud with colours  
of a rainbow  
A changing view  
Changing view

When love brecks down  
the things you do  
To stop the truth from hurting you  
When love breaks down  
the lies we tell  
They only serve to fool ourselves  
When love breaks down

we join the wrecks  
Who leave their hearts for easy sex  
When love breaks down  
When love breaks down
