

You Know How to Love Me

Lisa Stansfield

Sure you do
(You know how to make it right)
So nice
(You know how to love me
There's no denying
(Sweet as morning light)

Sooner or later
I knew you'd come my way
You're welcome to my love
Just promise that you'll stay

You know how to love me...Right
In a special way
You know how to love me...Tonight
And I wanna say
You know how to love me
You're the real that I feel never go away

Seeing's believin'
Don't you know you're a dream come true
Ain't nothin' deceivin' 'bout the way that I'm lovin' you

(You know how to love me) You know, you know
(You know how to make it right)
I can feel it
(You know how to love me)
No doubt about it
(Sweet as morning light)

Nothing's forever
That's what people say
But each time that we're together
Forever and a day

You know how to love me...Right
In a special way
You know how to love me...Tonight
And I wanna say
You know how to love me
You're the real that I feel never go away
