

# Story of My Life

Lissie

Written on these walls are  
the stories that I can't explain  
My heart open  
I'm empty for days  
He tells me in the morning  
he don't feel the same about me in his bones  
Seems to me that when I die  
these words there will be written on my stone

I'll be gone, gone tonight  
I open wide  
holding on too tight  
nothing in between

Story of my life  
He takes me home  
Drives all night to keep me warm  
Cause I'm frozen  
Story of my life  
He gives me hope  
He spends my love  
Until I'm broke on inside  
Story of my life

Written on these walls are colors that I can not change  
My heart's open here in its cage  
And in the morning I can see him in the light upon the hill  
I am broken, but untamed, still

I'll be gone, gone tonight  
I'm burning bright  
I've been holding on too tight  
Nothing in between

Story of my life  
He takes me home  
Drives all night to keep me warm  
Cause I'm frozen  
Story of my life  
He gives me hope  
He spends my love  
Until I'm broken inside  
Story of my life  
Story of my life
