

# Explode

Lit

Oh, I can't feel my head  
All I see is the color red  
Oh, if you hold me hand  
Feel me tremble you'll understand

I'm gonna explode  
I'm f\*cking gonna explode

Oh, if you feel my hands  
All I see is the color red  
Oh if you held my head  
Feel me shake the you'd understand

Doesn't it feel good  
Doens't it feel good  
Does it feel good

Doesn't it feel good  
Doens't it feel good  
Does it feel good

Doesn't it feel good  
Doens't it feel good  
Does it feel good
