

## I Don't Get It

Lit

(I Dont Get It) I dont get why you take such a big amount of wh  
at we  
Work so hard to f\*ckin' make I don't get why we can't do  
What we want to when it doesn't hurt you I don't get it  
I don't get why we can't smoke  
Just because you say it's bad  
What mother nature chose to grow I don't get it I don't why we  
should change  
What we said here to so  
We dont have to expalin I don't get it I can't make sense of an  
ything  
I can't make sense of anything I can't make friends with anyone  
  
I don't get anything at all It doesn't matter anymore
