

Next Time Around

Lit

Well I'm dreaming 'bout a Cadillac
And a girl that I used to have
But I know that I could never go back
To the day we took a photograph
That I'm holdin' in my hand
I can't believe I messed it up so bad
If I get another chance
I'd never waste it yeah
I swear I'll be a better man

R: And I'll tell you right now
We'll make it up next time around
Yeah!
I'll pick you up and never put you down
Next time around
Yeah!
I'll lift you up and never let you down

Now I'm thinkin' bout the good times
All the friends that I used to know
And they always said they'd have my back
But now I'm flyin' solo
All alone again I stand
I can't believe I messed it so bad
If I had another chance
I'd never waste it yeah
I'll try and be a better man
