

Too Fast for a U-Turn

Lit

Ive got a problem
Ive got a big one
Ive got my bloodshot eyes on u
Ive got the answer
Ive got the solutions
I want another shot and I want u

Oh no I should go
But it feels so good now

Ive gotta get to you (3x)

Ive got my vices
Know what the price is
It aint right but its alright now
Ive got a problem
Lets keep it up til we both
Come back down

Oh yeah, I know its so bad
But it feels so good now

Ive gotta get to you (3x)

Going to fast for a U-turn
Much too fast for a U-turn

Oh no I should go
But it feels so good now

Ive gotta get to you (3x)
