

# Don't Let Me Down Tonight

Lita Ford

I'm so sad without you  
I can't wait to see you again  
I feel bad without you  
I can't get you out of my head  
So won't you come on home tonight  
I'm gonna wait 'til the sun comes up  
You're the only one in my life  
So don't let me down...

Don't let me down tonight  
Walk with me in the twilight  
Don't let down tonight  
'cause there's no one like you  
So don't let me down tonight

You know I miss your face  
I keep your photograph right by my bedside  
You know I miss the way you that taste  
I need you here with me at night  
I'm gonna look you in the eyes  
I want to hold you in my arms  
I want to be with you tonight  
So don't let me down...

Don't let me down tonight  
Walk with me in the twilight  
Don't let me down tonight  
Don't let me down tonight  
'cause there's no one like you  
So don't let me down tonight

Don't let me down tonight  
Walk with me in the twilight  
Don't let me down tonight  
Don't let me down tonight  
'cause there's no one like you  
So don't let me down tonight

Standing down under a burning sky  
Flames shines bright in my eyes  
It only shines when I look at you  
It leaves me with just a smile

Don't let me down tonight  
Don't let me down tonight  
Don't let me down tonight  
Don't let me down tonight  
Don't let me
