Hellraiser

Mama let me out on a saturday night, she said now Go out and get her go and hold her tight I said now Mama, you don't understand Ev'ry time I touch her hand It's like I'm burning in the fires of hell And if I hold her too long You never can tell what'll happen to me I wouldn't want you to see. Look out! She's a hell raiser, star chaser, trail blazer Natural born raver, yeah, yeah, yeah, yeah, yeah She's a hell raiser, star chaser, trail blazer Natural born raver, yeah, yeah, yeah Look out! She's like a live bomb shell Like a flash out of hell And when she's shaking her ooh everyone fell at her feet And that's neat and she took me completely By surprise with her ultra sonic eyes That were flashing like hysterical danger signs That said beware where you tread Or you'll go out of your head. Look out! She's a hell raiser, star chaser, trail blazer Natural born raver, yeah, yeah, yeah, yeah, yeah She's a hell raiser, star chaser, trail blazer Natural born raver, yeah, yeah, yeah Look out! Hell raiser, hell raiser, hell raiser Hell raiser, hell raiser, ooh Now Mama, you don't understand Ev'ry time I touch her hand It's like I'm burning in the fires of hell And if I hold her too long You never can tell what'll happen to me

I wouldn't want you to see
